Forecast for Sunday 07 Jul 2024

Weather: Cloudy in early hours with a few showers, the cloud breaking up overnight and becoming dry. A sunny start to the day then clouds building to bring a scattering of brief showers, but remaining bright with further sunny intervals.

Chance of cloud-free hill tops above 800m: 70% at first rising more than 90%

Low cloud and visibility: Occasional cloud above 800m in early hours, but just the odd patch by morning and lifting with the cloud above the tops for the rest of the day. Visibility away from that cloud mostly very good, with brief deteriorations near showers.
